

Anti-Ageing Night Gel Cream

Formulation Reference: FM00317/A

Lightweight, non-tacky gel cream formulated with *Texique HE50* as the main emulsifier and thickener, will leave your skin nourished due to the presence of *Texiterra Raspberry Seed Oil* and quickabsorbing *Texique Lux5*. Addition of powerful antioxidant *Texiterra BF Soya*, in combination with *Texiterra Kalahari Melon Seed Oil* will help reduce age spots and fine lines whilst promoting skin moisturisation, contributing to youthful-looking and energised skin.

Preparation Procedure

- 1. Weigh out Deionised water into the main vessel and add Phase A materials individually with mixing between additions. Mix until completely dissolved.
- 2. Whilst homogenising slowly sprinkle in Phase B and mix until uniformly dispersed and no bits.
- 3. Add Phase C to the main batch with mixing between additions. The bulk will not be uniform.
- 4. Add Phase D and stir to mix. Then homogenise until smooth and uniform.
- 5. Add Phase E and mix until homogenous.
