Refresh and brighten the delicate under-eye area with this minimalistic formula. Crafted with **Texique HE20** as the main emulsifier and rheology modifier and **Texique Lux5** for added hydration while eliminating tackiness and improving skin- feel.

Method

1. Combine phase A and homogenise until uniformly dispersed.
2. Add phase B and mix, the bulk will not be uniform.
3. While homogenising, add phase C and homogenise until uniform.
4. Add phase D and mix until uniform.
5. Add phase E to adjust the pH into the suitable range.
