Relaxing Natural Body Lotion

Formulation Reference: FM00199/A

Drift into evening calm with this relaxing natural body lotion, with notes of essential lavender oil to soothe both body and mind. Made with nourishing ingredients such as cold pressed **Texiterra Grapeseed Oil** and **Texiterra Sweet Almond Oil**. Includes butters and gentle natural emollients to hydrate and soften the skin. Contains natural based emulsifier and rheology modifier **Texique HE10** which also helps to thicken and stabilise the lotion.

Preparation procedure

1. Weigh out Phase A and mix.
2. With homogenisation add Phase B until completely dispersed.
3. Add Phase C materials individually and mix until dissolved. Heat to 80°C.
4. Weigh out Phase D and heat to 80°C with mixing. At 80°C add Phase E and mix until uniform.
5. Add Oil phase to Water phase whilst homogenising. Homogenise until smooth and uniform.
6. At below 40°C add Phase F and stir through bulk. Homogenise gently to achieve smooth thick emulsion.
7. Add Phase G and mix until uniform.
8. Adjust pH to 5.50 – 6.50.
